ISI-MIROIR
A mirror pool quite simply

1- Ingenious

Over owing **on all 4 sides** with water covering the coping... these are the secrets of the incomparable aesthetic charm of mirror pools.

The **ISI·MIROIR** technique offers you made-to-measure elegance with no installation constraints.

Designed for your comfort, all you need is a single modular element... and your pool becomes a mirror pool. **It's as simple as that!**

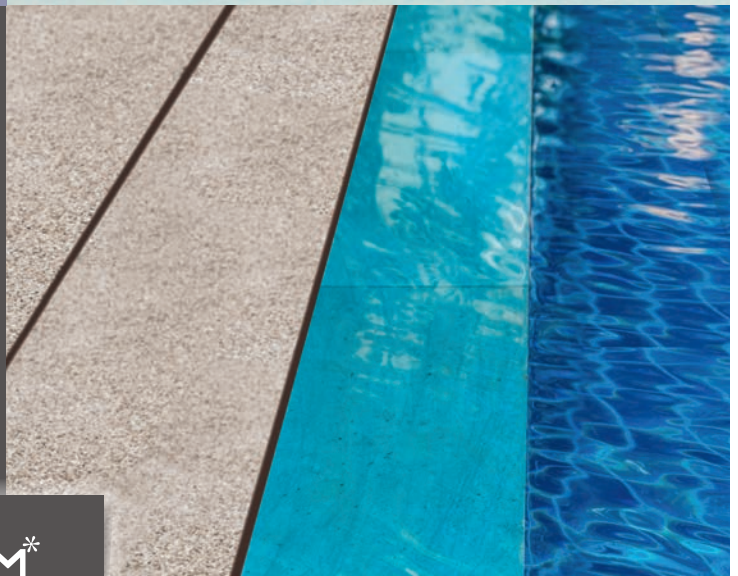

2- Adaptable

Whether you're building a new pool or renovating an old one, whether your decking is wood or stone, **the ISI·MIROIR technique adapts to all structures**, rectangles and squares.

Its level adjustment system makes installation fast and easy.

The channel and levelling system can be installed in a day by just one worker.

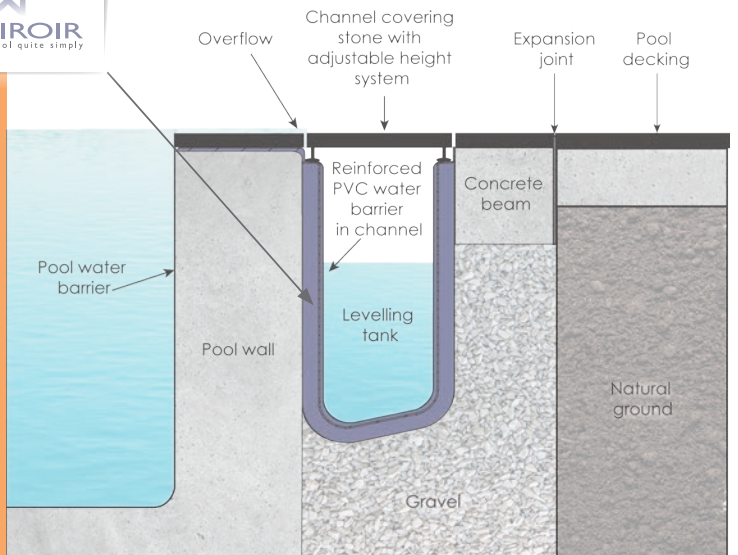

3- Affordable

This complete mirror-effect over ow system is **the only one of its kind on the market**. It allows you to optimise costs compared to classic installations!

The amazing aesthetic charm of this type of pool is suddenly affordable.

The **ISI·MIROIR** innovative technique is your guarantee of fast and precise pricing.
